

# WORKSKIFF

## W Series

The Workskiff W Series is a rugged no-nonsense work platform for the water. The W Series is available in three hull dead rise designs: Flat Bottom, Semi V - 8°, and Medium V - 13°. The Semi V hull design is also available with a tunnel option for jet outboard engines. The W Series can be outfitted with either a console or T-Top and incorporates a square bow design, heavy duty 4" D-rubber fendering, closed cell foam for floatation and internal hull structure that is designed for heavy loads, pushing and towing and can be outfitted with a variety of accessories. All models are custom configured to meet your specific application.
